

Texas Student Assessment Program

2022–2023

Consolidated Accountability Data File Format

Overview

The Consolidated Accountability File (CAF) combines all STAAR, STAAR Spanish, STAAR Alternate 2, TELPAS and TELPAS Alternate data within the current accountability year into one record for a student. The record also includes data for the student for any assessments within the previous accountability year. Records for which a student cannot be assigned a Texas Unique ID are not combined with data from another reporting administration, and conflicting data for a grade 3–8 subject, End of Course (EOC) or TELPAS/TELPAS ALT within a reporting administration are not combined with other testing data for a student. For significant changes implemented in TELPAS, STAAR grades 3–8, EOC reporting, as well as TELPAS Alternate or STAAR Alternate 2, refer to individual data file formats for those assessments. The CAF data file has been condensed and field positions have been updated throughout the layout.

Following is a summary list of new and removed fields and other changes.
