## OnDataSuite® CCMR Early Warning System (EWS) File Dependency as of 03/06/2024

The CCMR EWS base list of students are pulled from the Fall or Summer PEIMS submission. If a Summer submission exists, students are pulled from that submission; If no Summer submission exists, students are pulled from the Fall submission.

The CCMR EWS excludes students that have code e1000 "Student Attribution Code" 13 thru 28. For more information visit the TWEDS Code Table Link https://tealprod.tea.state.tx.us/TWEDS/98/0/0/0/CodeTable/List/14610

**\*CCMR-P    CCMR Supplement Option - PEIMS Confirmed Item**
A CCMR EWS supplement file can be uploaded to serve as a place holder and will result in a value of 'S' in this column AND will result in a 'Y' value in the CCMR column. The value will remain displayed as an 'S' value until either 1) the value is superseded by the following year PEIMS fall value OR 2) the students line is removed from the supplement file.

**\*\*CCMR-NP    CCMR Supplement Option - Non PEIMS Confirmed Item**
A CCMR EWS supplement file can be uploaded to serve as a place holder and will result in a value of 'S' in this column AND will result in a 'Y' value in the CCMR column. The value will remain displayed as an 'S' value until the students line is removed from the supplement file.

**\*\*\*CCMR-O    CCMR Supplement Option - Override Item**
A CCMR EWS supplement file can be uploaded to serve as a place holder and will result in a value of 'S' in this column AND will result in a 'Y' value in the CCMR column. The value will OVERRIDE any associated/calculated value and will remain displayed as an 'S' value until the students line is removed from the supplement file.
