Can you guess where I am?

Put it in the chat has to be the right location

What is "Rich Data"?

- More than a single test score or snapshot
 - Multiple years + multiple measure + multiple programs
 - Consistency matters: growth, consistency, momentum History"
- 

What Makes Data Rich in OnData

- Multiple Years
Who has the most years and what is the furthest point you have data in your ODS?
 - Assorted Assessments
- 

Is your ODS Rich?

File Center Checklist
